

RICARDO LOPEZ

FRONTEND DEVELOPER

FRONTEND DEVELOPER WORDPRESS & REACT SPECIALIST

Experienced frontend developer with a strong background in JavaScript, HTML5, CSS3, React, and Tailwind CSS. Skilled in crafting responsive and dynamic websites with a focus on user experience. Proficient in WordPress, Elementor, WooCommerce, and Crocoblock, including plugin customization using PHP. Committed to continuous learning, I deliver innovative and efficient solutions for every project. Seeking to contribute to dynamic teams as a junior developer.
